

Storage:

1. Store in a cool, dark and dry place.
2. Use reasonable care and store away from oxidizing materials.
3. Care in storage of silane coupling agents to avoid denaturation by the reaction with water or moisture. Once the container is opened, replace the stopper tightly as soon as possible to prevent intrusion of moisture.

Handling:

Customers should review the latest MSDS and label for product safety information, safe handling instructions, personal protective equipment if necessary, and any special storage conditions required for safety.

1. **Keep away from heat and open flame.**
2. Use with adequate **ventilation**. Use proper ventilation and good housekeeping procedures to avoid accumulation of dust that can form ignitable dust/air mixtures.
3. **Keep container closed.**
4. Skin and eyes must be protected from silane coupling agents by use of **protective glove and eyeglasses.**
5. Do not take internally.
6. Wash after handling, especially before eating, drinking or smoking.
